**As your councilwoman, I've dedicated myself to providing ALL residents with responsive, responsible and honest government and worked hard to:**

- Attract major retailers to add jobs, increase revenues and encourage local shopping.
- Increase visibility and accountability of law enforcement.
- Buy, renovate and sell blighted downtown properties.
- Improve vital city services and work to build community pride.
- Promote alternative after-school programs to engage students and deter gangs.
- Develop senior housing and increase resources available to our aging population.

**When re-elected in April, I will continue to expand our community's can-do spirit and:**

- Demand high standards of public safety to protect residents and businesses.
- Encourage public-private partnerships to grow our economy and add jobs.
- Work with local churches and community groups to find ways to help the homeless.
- Establish business mentoring/internships for our high school students.
